1. Commission Structure by Category

Category	Commission Rate
Fashion & Apparel	10.14%
Electronics & Mobiles	9.6%
Home & Living	8.12%
Beauty & Personal Care	9.13%
Groceries	4.5%
Large Appliances	9%

Exact commission rates within each range depend on the specific sub-category and any active seller-tier discounts. The current applicable rate for each listing is always shown in the Seller Center pricing calculator before a product goes live.

2. Additional Fees

- Payment processing fee: a small percentage deducted per transaction to cover gateway costs.
- Fulfilment fee: applies only to products stored in and shipped from Daraz Fulfilment Centres.
- Return-handling fee: applies to returns caused by seller error (wrong item, misleading listing) and is waived for buyer-remorse returns.
- Advertising/promotion fees: optional, charged only when a seller opts into sponsored placements.

3. Payout Schedule

- Standard payout cycle: every 14 days, for orders that have completed their return window.
- Funds for a given order are held until the applicable return window has closed without a return request, to protect against chargebacks on completed refunds.
- New sellers (first 60 days) may be placed on a shorter rolling reserve at the platform's discretion to manage fraud risk.

4. Payout Statement

Each payout is accompanied by a downloadable statement in Seller Center, itemising gross sales, commission deducted, fees deducted, refunds/returns offset, and net payout amount per order.

Note: Commission rates are reviewed periodically and any change is communicated to sellers at least 14 days in advance via the Seller Center announcement board.
